Hiwi position for web development

**Task:** Enhance an existing web app of the AG Zilberberg

**Requirements:** None of this is required and can be learned during the Hiwi. However, some experience would be preferable: HTML, PHP, Python, JavaScript, CSS and MySQL

**When:** The position can be started at any time. Duration of the position will be discussed upon starting but is aimed at a longer employment.

**Scope:** To be discussed, ≤ 40h/month

**Contact:** markus.bestler@uni-konstanz.de
