

Confirmation about the recognition of lectures and seminars in the masters programme 'Computer and Information Science' (Exam Regulation 2015)

Name

Student ID

Date of Birth

Email address

Important information:

1. Please fill in this form correctly and completely. Otherwise we cannot process it.
2. In case of non-English lectures/seminars, please indicate the original title plus the English translation.
3. You have completed academic performance assessments outside of Germany? Please indicate the original grade as stated in your certificate (points, letters, etc.).
4. Please state how many ECTS credits you have acquired for the corresponding courses.
5. You have not completed coursework/examination at the University of Konstanz? Then please attach relevant excerpts from the module guide (or the like) and an original proof of your Transcript of Records.
6. You have acquired the credits to be recognised at several universities? Please use a separate form for each university.
7. You have completed the coursework/examinations at the University of Konstanz? Please state the lecture number in addition to the title.

The examination board has decided to recognize the following lectures and seminars that were taken at the

University

within the study programme :

date, students signature
