An der Fakultät für Informatik der Technischen Universität Wien gelangt nachstehende Stelle zur Besetzung.

Wir sind bemüht, Menschen mit Behinderung mit entsprechender Qualifikation einzustellen und fordern daher ausdrücklich zur Bewerbung auf. Bei Rückfragen wenden Sie sich bitte an die Behindertenvertrauensperson der TU Wien, Herrn Gerhard Neustätter gerhard.neustaetter@tuwien.ac.at.

The Institute of Visual Computing and Human-Centered Technology, research unit Visual Analytics at TU Wien is offering a position as university assistant (Post-doc) for 1 year for 40 hours/week. Expected start: May 2021.

Tasks:

- Research in the field of Visual Analytics, Information Visualization, Visual Data Mining, Data Analysis/Explorative Data Analysis und Interaction Design
- Develop methods, concepts as well as their realization/implementation and evaluation
- Lead, design, and write scientific publications
- Participate and contribute in interdisciplinary national and international scientific projects
- Lead, participate, and contribute in writing research proposals
- Independent teaching or participation in teaching and supervision of students
- Participate in organizational and administrative tasks of the research division and the faculty

Your profile:

- PhD degree in Computer Science or equivalent university studies in Austria or abroad
- Teaching in German and English is expected
- Experience in national and international research cooperation as well as in project management and presentations
- Interdisciplinary work
- Experience in teaching and publication activities as well as interest and pleasure in research and work/support with students
- Organisational and analytical skills as well as a structured way of working
- Very good communicative skills and team competences

We offer:

- Continuing personal and professional education and flexible working hours
- Central location with very good accessibility (U1/U2/U4 Karlsplatz)
- A creative environment in one of the most liveable cities in the world
TU Wien is committed to increasing the proportion of women in particular in leadership positions. Female applicants are explicitly encouraged to apply. Preference will be given to women when equally qualified, unless reasons specific to a male applicant tilt the balance in his favour.

People with special needs are equally encouraged to apply. In case of any questions, please contact the confidant for disabled persons at the university, Mr. Gerhard Neustätter.

Entry level salary as a postdoctoral researcher is covered by level B1 of the Austrian Collective Agreement for university staff, and receives a minimum of currently EUR 3,945,90/month gross, 14 times/year. Relevant working experiences may increase the monthly income.

We look forward to receiving your application until 15.04.2021 on our job platform: https://jobs.tuwien.ac.at/Job/148599
